

Jeremy *6 versions*

Amazed by how many people were in line, Jeremy allowed himself the smug assumption that he wasn't over-reacting after all. Sure he would miss her, but it was her choice to stay, and her choice was what was keeping any potential guilt over the grim fantasies playing in his head at bay. The details changed, but they all led to the same bloody end. Drawing her last breath, filled with self loathing, reproach, and one sorrowful wish surrounding her heart; that she had only gone with him when she had the chance

Jeremy snapped back to reality and presented his I.D. to the shiny man, accommodated the customary bag search and stepped, barefooted through the metal detector.

uppie. We were finally, truly satisfied. We tested self-satisfied abandon resolution, she had done as she was intended. Finally she could concede. They assured her was a truck here a

how to make an elephant named war

1 Fold diagonally and lengthwise

3 make a paper airplane on both sides

5 do a weird fold with the inverted airplane

7 fold the whole thing in half

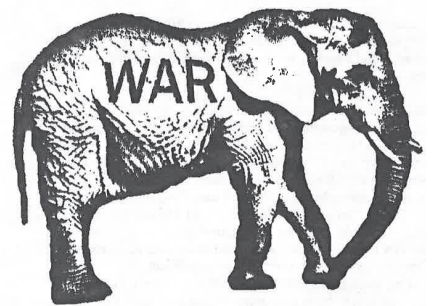

2 Fold in the TV Folks to make a diamond

4 Fold the airplane inside-out

6 make the elephant feet

8 fold the trunk and tail

TAA DAA!!!**

*Results may vary. Don't become frustrated if the finished product does not resemble promised objective. No one said this was going to be easy. Remember: over a thousand of your fellow countrymen have given up their lives in pursuit of this elephant, so show a little respect. Stay the course, have faith in your leaders, do your part (practice making paper elephants), go shopping, stop asking so many questions and everything will be just fine.

* If you have found any of the preceding information to be vague, misleading or incorrect, keep in mind that this is war after all and we all have to make due with the information provided (regardless of implausibility or evidence to the contrary).
